## How Does it Work?

- To schedule an appointment to see Dr. Adrienne Stewart at Tony Robbins (first Monday of the month), simply go to this website and request a timeslot:  
[www.nourishmedicalcenter.com/TonyRobbins](http://www.nourishmedicalcenter.com/TonyRobbins)
- To schedule an appointment to see any of the Nourish doctors at Nourish Medical Center, simply call our office to schedule your appointment or visit our website to request a timeslot:  
[www.nourishmedicalcenter.com](http://www.nourishmedicalcenter.com)
- A Nourish patient care coordinator will contact you and confirm your appointment time. For new patients, they will also send you an intake and consent form to get you started.
- Once you submit the forms, we will take it from there and see you at your confirmed time slot!
